A LOCAL LAW PROVIDING FOR AN EXEMPTION FROM TAXATION AND SPECIAL AD VALOREM LEVIES
IMPOSED BY THE COUNTY OF HERKIMER FOR COUNTY AND PART-COUNTY PURPOSES

BE IT ENACTED by the Legislature of the County of Herkimer as follows:

Section 1. A total exemption from taxation and special ad valorem levies for ten successive years after the adoption hereof is hereby granted to "eligible business facilities" as defined in Section 115 of the Commerce Law of the State of New York, located in this County, from taxes and special ad valorem levies imposed by or in behalf of Herkimer County for county and part-county purposes.

Section 2. An "eligible business facility" as defined in the New York State Job Incentive Board, pursuant to Sections 115 and 120 of the Commerce Law of the State of New York, shall be exempt from taxes and special ad valorem levies imposed by the county for county and part-county purposes for any increase in the value thereof which is attributable to expenditures certified by the Job Incentive Board to have been paid or incurred by the owner or operator for capital improvements commenced on or after the effective date of this law, consisting of the construction, reconstruction, erection or improvement of depreciable real property included in such facility, and such exemptions shall be continued from year to year during the specified period only if the Certificate of Eligibility with respect to such business facility is not revoked or modified and is renewed or extended as provided by Section 120 of the Commerce Law.

Section 3. Such exemption shall be granted only upon an application by the owner or operator of such facility on a form prescribed by the New York State Job Incentive Board, to which there shall be attached a copy of the Certificate of Eligibility issued by the New York State Job Incentive Board. Such application shall be filed with the appropriate assessing authorities on or before the appropriate taxable-status dates. Copies of such applications shall be filed simultaneously with the New York State Job Incentive Board and the State Board of Equalization and Assessment.

Section 4. The assessors shall consider the application for such exemption, and if the same is in order shall determine the assessed value of such exemption in accordance with the above mentioned Certificate of Eligibility, issued pursuant to Section 120 of the Commerce Law of the State of New York, and enter such value on the "exempt" portion of the assessment roll. The eligible business facility shall then be exempt to the extent provided by this Local Law from taxes and special ad valorem levies commencing with the assessment roll prepared on the next following taxable-status date.

Section 5. If an exemption has once been granted for a business facility under this section and the assessors receive notice that a Certificate of Eligibility of such facility has been revoked or modified, they shall re-determine the assessed value of any such exemption in accordance with such revocation or modification. If upon such re-determination it appears for a year for which an exemption has been granted that such facility has been ineligible or that the assessed value of such exemption as re-determined is less than the assessed value of such exemption as shown on the assessment rolls for such year, then a tax shall be levied at the rate of tax for such year upon so much of the assessed valuation of such exemption, as shown on such assessment rolls, as may be ineligible or excessive. Such tax shall be levied as an omitted assessment in the manner provided in Section 550 of the Real Property Tax Law for each such year. Any such re-determination shall be made no later than three years after the applicant for exemption last received benefit of any exemption under said Section 485 of the Real Property Tax Law.
