Section 8 Rental Assistance

The federal government has a program that provides rental assistance to a limited number of senior citizens. This is the Section 8 Program (HUD). If you are at least 62 years old and have a low or moderate income, you may be eligible. A private landlord must be willing to participate and the apartment must be inspected and free of code violations. Unfortunately, applicants may encounter a long wait for their application approval and then a difficult search in finding a suitable apartment. For more information contact your local housing authority.

“Meal program on site” means that the Herkimer County Office for the Aging has a congregated meal site at that facility. Congregated meal sites are open to all seniors aged 60 and over. Seniors join others for a well-balanced, hot, noon-time meal.
