PRESS)
)
RELEASE)

The Town of Webb (TOW) will host Herkimer County Public Health (HCPH) Office Hours, starting November 10, 2022, held monthly at the TOW office building. Herkimer County Public Health office hours will be located in the board room at 3140 State Route 28, Old Forge, on the second Thursday of each month from 10 am through 2 pm.

Upcoming HCPH Office Hours:

- December, 8, 2022
- January 12, 2023
- February 9, 2023
- March 9, 2023
- April 13, 2023

Come learn more about the programs Herkimer County has to offer. Informational material and educational material will be on hand to facilitate connecting your community to needed services and assistance. Herkimer County Public Health programs and services can be further explored during in depth conversations with our department's onsite program experts.

HCPH programs include:

1. Adult and Child Immunizations
2. Rabies Prevention
3. Lead Poisoning and Prevention
4. Early Childhood Intervention
5. Communicable Disease
6. Maternal Child Health

For further information please call Public Health at 315-867-1176. You can also find additional information at our web site www.herkimercounty.org and on our Facebook page <https://fb.me/HerkimerCountyPublicHealth>.
